Monica Pasanen will step down as CFO during autumn 2021

Rottneros' CFO Monica Pasanen has announced that she will leave her position in the autumn of 2021. Thus, the recruitment of her successor will begin immediately.

Monica Pasanen has been the CFO of Rottneros since the beginning of 2017 and will end her employment in the Group on October 31, 2021. Thereafter she will be at the company's disposal to facilitate the transition to a new CFO.

"After an extensive investment program, Rottneros has reached a new level and the Group is now in an exciting development phase. Thus, the timing feels right to hand over to a new CFO during this year", says Monica Pasanen, CFO, Rottneros.

"I fully respect Monica's decision. We will certainly miss a very competent, committed and always positive colleague. She has made a strong contribution to Rottneros' renewal in recent years. Both personally and on behalf of the company, I would like to extend a big and warm thank you to Monica and wish her the best of luck for the future", says Lennart Eberleh, President and CEO, Rottneros.
