PRESS RELEASE

2024-11-08

## Rottneros sells emission allowances

Rottneros continues to sell emission allowances. In addition to the sales in September, which the Group reported on in the report for the third quarter of 2024, emission allowances for 44 MSEK have so far been sold in the fourth quarter. The company intends to sell additional emission allowances for approximately 18 MSEK during the current quarter, provided that market conditions are deemed favorable.

Executed and planned sales of emission allowances are distributed as follows:

	Amount
Sales in September 2024	11 MSEK
Sales so far in Q4 2024	44 MSEK
Additional sales planned for Q4 2024	18 MSEK
