Change of Rottneros Group CEO

Carl-Johan Jonsson has been appointed as the new CEO of the pulp producer Rottneros AB with effect 1 July 2013. He succeeds Ole Terland who has been the CEO of Rottneros since 2008. Carl-Johan Jonsson, aged 47, most recently held a corresponding position with Mondi Dynäs AB, which manufactures kraft paper.

Ole Terland is leaving his position essentially as a result of Arctic Paper S.A. becoming the new main owner of Rottneros during the spring of 2013. The greater part of the board was also replaced in conjunction with the AGM in March.
